BATTLE OF THE BORDERS

One of the most exciting highlights of the SOAR British Championships is the Battle of the Borders.

The Battle of the Borders is a crew battle where dancers represent their nation and compete for national pride. Each nation selects dancers to represent them in an electrifying crew battle performed in front of the entire championship audience. Each nation will work with a judge, who will mentor the dancers and help them create their battle set.

This gives dancers the opportunity to collaborate with industry professionals while representing their country on the championship stage.

The winning nation will take home the Battle of the Borders Trophy and earn valuable points towards the SOAR Nations Scoreboard.

Expect energy, pride and unforgettable battles as the nations go head-to-head.
- SOAR Nations Scoreboard

At the SOAR British Championships dancers don't just represent their dance school - they also represent their nation.

The SOAR Nations Scoreboard celebrates the incredible talent across the UK and Ireland and adds an exciting team element to the championships. Throughout the weekend dancers earn points for their nation based on placements across the competition categories.

Nations competing:

England
Scotland
Wales
Ireland

At the end of the championships the nation with the highest total score will be crowned:
SOAR Nations Champion
